

According to the same Jewish Torah, their burning bush also declared a punishment of "An eye for Eye", meaning that if you commit a crime against someone, you deserve to be punished with the same. That's the cannon of their cult.

The Jews have been holocausting their neighbors to steal their land and property for nearly 4000 years since their violent genocide invasion. By 1947 6 million Jews were murdered and their lands and property taken.

My interpretation looks like the Burning Bush God of the Jewish Cult finally applied his law of an "Eye for an eye" for 4 millenia of genocide carried out by the cult with Zyclon B.

They got the "Eye for an eye" punishment they've been talking about.

Weird, for me, to be a jew means to have Jewish ancestry, and not much else. Murdering my neighbors doesn't seem very cool.

To be Jewish is to believe their cult god, a Burning Bush, ordered the murder of Palestinian children yesterday so that a member of the cult could take their home.

That's Judaism. To be a Jew is to believe that you are ordained by God to murder anyone not in your cult.

You have no idea what you're talking about. Most jews are not religious to the extent you're suggesting. I'm an ethnic jew, and I neither subscribe to the religion, nor condone anything Israel is currently doing, and I'm not uncommon in that outlook. Jews are not a monolith. There's a wide variety of opinions and perspectives within the larger group.

Judaism is a cult religion that has documented 4000 years of genocides in a land they invaded. You are either a cult member or not.

At some point in my distant lineage they were in violent cults. There is nothing of those violent genocidal people left in me. I don't identify with them in any way, shape, or form.

It's 2024, and you publicly announce that you're a member of a cult that believes it has permission to murder non-cult members.

What you don't seem to get is that I don't have the luxury of just not being Jewish, because I'm Ashkenazi, which everybody recognizes to mean Jewish.

The fact is, Hitler made no distinction between a haredi jew who believes that non-jews are cattle, and someone like me who is completely non-religious and has a very ordinary life. Most people who hate jews also refuse to make any such distinction.

But also, even among religious jews, most aren't what you think they are. I've never met a jew that expresses the sort of ideas you think are innate to jews, and I'd wager I've met way more jews than you ever will (if you've ever met even one, which seems dubious).

From my Palestinian perspective: In the 1940s, 6 million of your fellow "Chosen People" who were born and bred with the God given order to murder my family and steal our land for the last 4000 years and counting.....were turned into ash. 6 million people who wanted my family dead, ceased to be.

My very existence is the cumulative DNA of people who survived 4000 years of your cults genocides.

Who knows, this brown skinned Arab probably owes his life to Adolf Hitler and Western Civilization. Our numbers have rebounded after those 6 million cult members hellbent on our extermination to please a burning bush were themselves exterminated.

Every time a fellow member of your cult ceases to be, there is one less set of crosshairs on my innocent family.

I'm sorry, do you actually believe that I was taught from a young age to kill Palestinians? Do you actually think that Palestinians, 6000 miles away from me, had anything to do with my upbringing at all?

Get a fucking clue dude. Jews are just people, and most of us aren't even Israeli. My religion growing up was Passover dinner and Hannukah presents, not "kill Palestinians". I mean seriously, how delusional can you be?

If you think the way to protect your family is to kill mine, you are part of the fucking problem. I mean, holy shit, what an absolutely batshit and oblivious post to make.

Unlike you, though, I don't celebrate the deaths of Palestinians in Gaza. I'm able to openly say that what Israel is doing is wrong, but I bet you'll never, ever, consider the possibility that you're wrong.

So much concern for your innocent family that you wish to see my innocent family slaughtered, but completely oblivious to the irony and hypocrisy. You want my family dead, i want your family safe. That makes me, unequivocally, the better person.

It's been almost 4000 years since your cult invaded and started genociding Arabs because a burning bush told your cult leader that they could.

It's now 2024. Your cult is still doing the EXACT SAME THING they have been doing ever since Ramses 2, invading and genociding because their God says they can have that land.

You publicly state that you are a willing member of that cult. Your cult wants me dead. 4000 years of history teaches me that you are a threat to my life.

Americans are so generous, right?

I get it.

I'm giving my own kinda hasbara questioning why Yahwey gave out 6 million of his "Eye for an eye" punishments to his "Chosen People" in the 1940s.

Maybe it's because their cult had holocausted 6 million of their neighbors since their Exedus invasion?
